

## Company Bio

Started in 2012 in the University of Waterloo dorm room of William Zhou, Chalk.com operates out of the Kitchener, Ontario, Canada. The Chalk.com Integrated Productivity Suite is changing the face of education by bringing personalized learning into teacher's workflow. Our suite consists of our award-winning lesson planning software Planboard, the assessment tool Markboard, and tied together in Campus. We are working on building an attendance platform to provide teachers with all of the tools they need in one integrated platform.

## Founder Bios

---

## Testimonials

---

Carina Pollard, Biology Teacher - South Africa

“I have used Planboard extensively in my planning and every teacher knows that no lesson can happen unplanned. Learning that planning is key was crucial to my teaching.”

---

Christy Rottinghaus, Kindergarten Teacher - Kansas, USA

“Chalk.com allows me to save time with planning and spend more time completing other tasks that come my way on a daily basis.”

---

Mary Lou Tasko, ON, Canada

“What has impressed me most is the fact that they respond promptly and thoughtfully to questions or concerns, and are constantly using feedback to improve Planboard’s scope and versatility. Meeting teacher needs is obviously their top priority.”

## Partners

Chalk.com partners provide lesson plan content on the Chalk.com content store. Here teachers can download lessons to their Planboard, and modify them for their own classroom.

1. Ontario Teachers Federation
2. Perimeter Institute for Theoretical Physics
